

WHEN YOU CHOOSE A MULBERRY HOME,
YOU'RE CHOOSING A HOUSE BUILDER
THAT PRIDES ITSELF ON ITS PERSONAL TOUCH

WELCOME TO THE MULBERRY HOMES FAMILY

CONGRATULATIONS ON RESERVING YOUR MULBERRY HOME!

We know that buying a new home is one of life's big decisions. It can also be one of life's great adventures: new location, new community, new experiences, new neighbours, new friends.

And, with a brand-new Mulberry home, where everything is clean, fresh and ready to go, it can be time to do more of the things you enjoy.

Part of buying a Mulberry home is The Mulberry Experience. Through it, our aim here in the Mulberry Customer Experience team is to make sure that you have all the information you need at each stage of the buying process and beyond, so you know what's happening and when.

The Mulberry Experience begins at the point you reserve your plot and continues for two years from the date you legally complete your purchase.

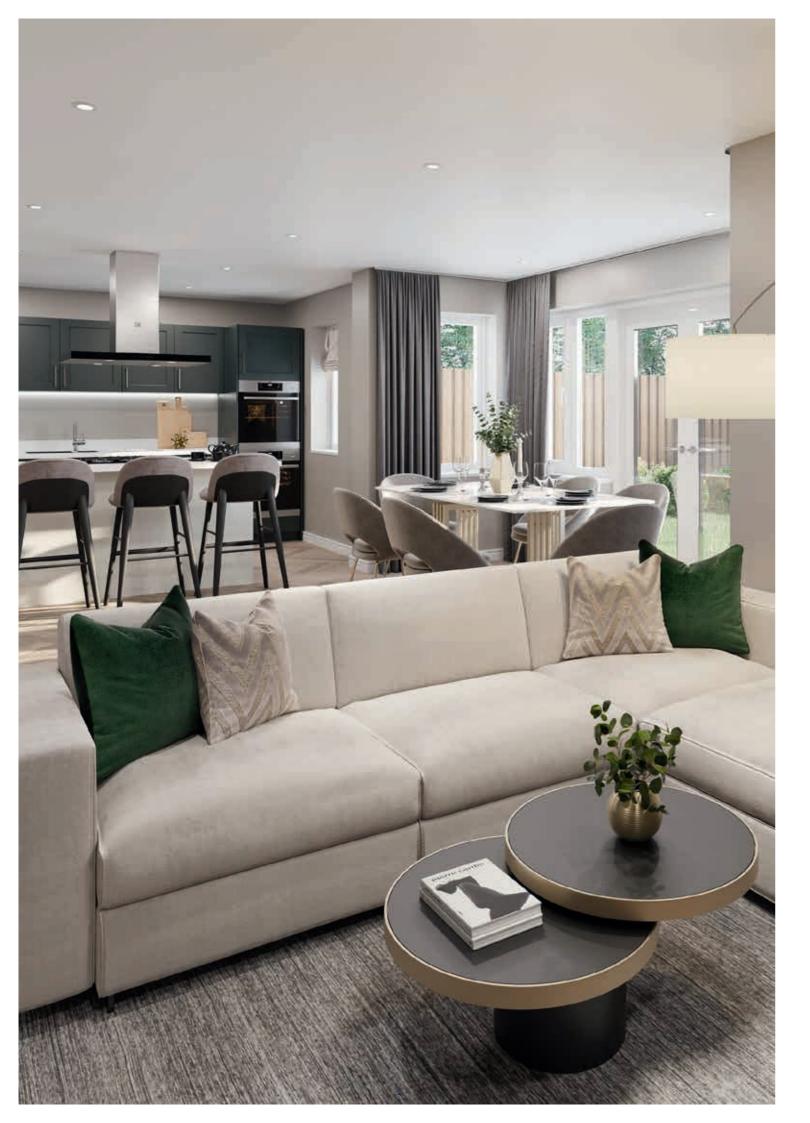

Over the next few pages, you'll discover what we mean by The Mulberry Experience.

The team and I are here for you every step of the way.

ENJOY THE MULBERRY EXPERIENCE!

KEEPING YOU INFORMED

WE WILL COMMUNICATE TO YOU AT THREE KEY STAGES OF CONSTRUCTION:
WHEN THE ROOF GOES ON, WHEN YOUR HOME IS PLASTERED, AND BEFORE
YOUR HOME'S PAINTED. THIS IS SO YOU KNOW HOW WE'RE PROGRESSING AND
WHAT TO EXPECT NEXT. THE VAGARIES OF THE GREAT BRITISH WEATHER CAN
SOMETIMES INTERFERE, BUT WE DO OUR BEST TO ENSURE DISRUPTION AND
DELAYS ARE KEPT TO A MINIMUM.

	NOT MUCH TO SEE YET Foundations are laid, ground floor constructed, and roads and driveway leading to your home built.	6 WEEKS
2 -	YOUR NEW HOME STARTS TO TAKE SHAPE Walls and intermediate floors are built, and the roof goes on.	
	Who's involved: bricklayers, carpenters, scaffolders, roof tilers and plumbers – it's a busy time on site.	14 WEEK
	Bad weather can slow things down at this stage, but we'll notify you of any significant delays.	
3 -	IT BEGINS TO LOOK LESS LIKE A SHELL AND MORE LIKE A HOME The plumbing and electrics go in, windows are fitted, internal walls go up and finished wall surfaces applied.	6 WEEKS
4 -	INTERIOR FIT-OUT BEGINS The kitchen and bathrooms are installed, utilities connected, doors, skirting and architraves fitted. Installation of electrics continues.	4 WEEKS
5 -	COMPLETION IS NEAR Testing, commissioning and quality inspection begin. We can only move to the sixth and final stage when we've met the correct standards.	2 WEEKS
6 -	WE'RE ON THE HOME STRAIGHT! Your sales advisor will be in touch to give you six weeks' notice of your moving-in day. During these last six weeks of the build process, paintwork and final touches are applied and every element of your new home is tried and tested before we hand you the keys on completion.	6 WEEKS

WHAT CUSTOMERS HAVE SAID ABOUT THEIR MULBERRY HOMES EXPERIENCE It's been perfect for us, with regular updates. I can't fault them. It was a great experience. I had a really tight deadline, and they did everything they could to let us move before Christmas. We love how spacious it is, and the houses are not built on top of each other. The lovely staff in the sales office have been brilliant and have continued to check in with us; the customer care has been second to none. It has been a great experience, and the build quality of the property is amazing. I'm a very happy customer. This is not a large development and I like that. They have excelled themselves with the amount of parking on the development.

*Customer satisfaction score of 98.6% as of February 2024
